

# MBARCH ENTREPRENEURSHIP CHALLENGE 2022

## CALL FOR ENTRIES

IE School of Architecture and Design announces its “MBArch Entrepreneurship Challenge 2022” for young architects and designers

If you work in architecture, landscape, construction, urban design and planning, interior design, civil engineering or other related fields, this challenge is for you.

We are seeking optimistic and young entrepreneurial professionals with less than 10 years of experience, who have identified a relevant problem in their industry and would like the chance to solve it.

The winning entries will be awarded a scholarship toward tuition for the IE Master in Business for Architecture and Design (commencing in April 2023).
